

Weekly Tasks/ Activities for Home Learning

Week beginning: Monday 11th May 2020

Year	Maths	Literacy	Science	Humanities/ Art/ Music	Active/ Mindfulness
<p>Year 6</p> <p>Online activities have been set for you on Purple Mash, Scholastic Online reading, Read Theory, etc.</p>	<p>1). Use your internet access to complete the Purple Mash activities set for your class.</p> <p>2). Access: https://whiterosemaths.com/homelearning/year-6/</p> <p>Watch the short video presentation for day 1 (Monday). Watch it more than once if you need to do so. Then click on "Get the activity" to access the learning. When you have completed the activities, go to the "Get the answers section" to see how well you have done. We are depending on you to be honest here.</p> <p>Repeat this daily for day 2 (Tuesday) up to day 5 (Friday)</p> <p>3). Design a poster each day to demonstrate your learning of Ratio. n Mathletics for 20</p>	<p>• Weekly Spelling Practice these "ay" sounding words – using "eigh" and "ey" phonemes. Ask someone in your household to test you at the end of the week:</p> <p>Essential words <i>eight, freight, sleigh, weight, weighing, reign, beige, neighbour, feign, disobey.</i></p> <p>Bonus words <i>eighth, eighteen, eightieth, outweighs, weightlessness, heavyweight, paperweight, neighbourhood, neighbourliness, disobeying.</i></p> <p>a). Fronted adverbial are sentences</p> <p>- From reading the next chapter in your book, find 10 interesting</p>	<p>a). Sunday 10th May is Mother's Day in the Caribbean and the USA. Plan a healthy meal, especially for your mother, including a list of ingredients, instructions and why the meal is healthy. You may include an image of your meal on a plate and which is clearly labelled or annotated.</p> <p>b). Covid-19 is an infectious disease (a virus) that has continue to ravage through many people's lives around the world. Using your knowledge on our topic on microbe, create a poster, for younger children, with instructions on best to reduce the spread of the virus. Remember, there are no cures for viruses.</p>	<p>a). Tic-Tok is a popular App where people share ideas including music. Write a catchy (appropriate) rap that you would share with your friends on Tic-Tok.</p> <p>b). There are 25 films in the image. How many can you name? (An enlarged version of this picture is at the bottom of this page).</p> 	<p>a). I am sure you have all seen this slogan on TV.</p>  <p>Do you think this message has been effective? Create your own slogan that is aimed at Year 6 pupils encouraging them to continue with their learning at this unique time.</p> <p>b). The government introduced lockdown measures - including closing schools - to ensure that the spread of Covid-19 was minimised. Create a comparison table that highlights the benefits and dangers of lockdown for a Year 6 pupil.</p>

	<p>minutes every day. Spend 15 minutes on the Set Tasks, then 5 minutes on Around The World. Let's see who can earn a certificate this week.</p> <p>4). Dino said, "790 can be divided by 10 but not by 5." Use your knowledge of the times tables to explain why Dino is wrong.</p> <p>5). How can you use your knowledge of divisibility to tell someone that 3376 can be divided by 4?</p> <p>6). Try these. <u>Blue Group:</u> $386 + 3209 + 61 =$ $5635 - 813 =$ $1327 \times 9 =$ $745 \div 5 =$</p> <p><u>Green Group:</u> $43.86 + 7309 + 149 =$ $4563 - 1978 =$ $47 \times 16 =$ $3564 \div 9 =$</p> <p><u>Red Group:</u> $3.86 + 3059 + 614.9 =$ $6003 - 837.54 =$</p>	<p>fronted adverbials and record them on a page.</p> <p>b). When fronted adverbials are used in your writing, they really bring a story to life. Your task is to write a story about being in an abandoned warehouse which is deserted because of an unusual disease.</p>  <p>- Remember to:</p> <p>i). Use the five story map to write your story (beginning- describe setting and character), build-up, problem, resolution and ending.</p> <p>ii). Include dialogue with is correctly punctuated.</p> <p>iii). Make your story exciting by including figurative language (similes, metaphors, onomatopoeia, and personification) and</p>			<p>c). You have received a letter/ email/ text from your friend/BFF in Year 6 who is fed-up with always having to be indoors during the lockdown. What advice would you give them? Remember the advice has to be relevant a Year 6 pupil.</p>
--	---	--	--	--	---

$$98 \times 3.6 =$$

$$3611 \div 23 =$$

Purple Group:

$$£73.86 + £863 + 5034p =$$

$$12042 - 9999.903 =$$

$$42.7 \times 9.8 =$$

$$4770.9 \div 57 =$$

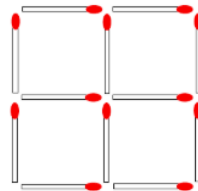

Matchstick puzzle 7

7. Seven up!

This two by two square is made up of 12 matchsticks.

There are 5 squares - four small ones and one larger one.

By moving just two matchsticks can you make seven squares?

Now, to make 7 you are going to have to think, 'small squares'!

short sentences to show tension.
