Date: WALT: use adverbs and verbs to describe movement

We need to describe how it looks and moves. What kinds of words will we need to use?

- adjectives: ferocious
- noun: beast
- verbs: pounced
- adverbs: aggressively

What are the jobs of verbs and adverbs?

Is this a good descriptive paragraph?  
What's good about it? What could be better?

The colossal woolly mammoth walked towards me aggressively. The hairy woolly mammoth raised it's head slowly. The woolly mammoth stood on its feet loudly. The ferocious woolly mammoth ran towards me quickly.

The colossal, woolly mammoth **pounded** towards me aggressively. The hairy beast **raised its head slowly** and then stomped its feet aggressively. The ferocious mammoth **thudded** towards me, angrily.
