

Friday 24th October 2020

WALT write the end of a persuasive letter.

Today, we are going to write the end of our persuasive letter.

Your conclusion should

- summarise your main points
- give your opinion
- finish with a closing (yours sincerely)

What persuasive features can
you see below?

Look out for

- fronted adverbials
- key subject words
- emotive language

I plead with you not to waste this opportunity for a burial beyond our status - Lady Fu Hao deserves our loyalty. As you know, slaves are usually dumped outside the city walls or in wells when we die. I want to die a noble death! I am proud of the Shang Dynasty! Like me, I am sure you will want to bring glory to your family by making the ultimate sacrifice. I look forward to hearing from you dear friend.

Yours in service,

Yu Ling Wang
