

WALT: use time adverbials to sequence events in a diary

Imagine that you are Lila at the top of the mountain. Write about the sad events she recalls. Use the time adverbials and sentences starters below to help you write your paragraph.

At last

First

Then

while

*First*, I told the sky about the time my brother cut his leg, *while* \_\_\_\_\_.

*Then*, I told the sky of the time that I burnt my fingers, *while* \_\_\_\_\_.
