

## Weekly Tasks/Activities for Home Learning

Week beginning: Monday 25<sup>th</sup> May 2020

Year	Maths	Literacy	Science	Humanities/ Art/ Music	Active/ Mindfulness
<p>Reception</p> <p>Check it out: BBC Bitesize EYFS activities and games: <a href="https://www.bbc.co.uk/bitesize/articles/zks4kmn">https://www.bbc.co.uk/bitesize/articles/zks4kmn</a></p> <p>Remember to use our Purple Mash website! If you need your log in details, call the school office.</p> 	<p>Can you make your own number line to 10 or even 20? This link will remind you how to write your numbers. <a href="https://www.youtube.com/watch?v=DzKqCmjVXLl">https://www.youtube.com/watch?v=DzKqCmjVXLl</a></p>  <p>Do you remember the number bonds to 10? <a href="https://www.youtube.com/watch?v=lvCCDu2-GYc">https://www.youtube.com/watch?v=lvCCDu2-GYc</a></p> <p>Can you write all your number bonds to 10?</p>	<p><b>Read or listen to the story of The Hungry Caterpillar.</b> <a href="https://www.youtube.com/watch?v=btFcTmHf3il">https://www.youtube.com/watch?v=btFcTmHf3il</a></p> <p><b>Listen to the song The Hungry Caterpillar.</b> <a href="https://www.youtube.com/watch?v=tUBBh4QzTU">https://www.youtube.com/watch?v=tUBBh4QzTU</a></p> <p>Can you write a healthy list of snacks for the caterpillar?</p> <p>Can you make your own caterpillar story?</p>	 <p><b>Scientific experiments</b></p> <p><b>Sink or float?</b> Explore the principle of buoyancy. Get a large container (bowl or plastic bowl), fill it with water, and with your grown-up collect a range of objects from around your home. Take it in turns with your grown-up to drop an object into the water – after guessing whether it will sink or float.</p> 	<p>Watch and listen to the butterfly life cycle song. <a href="https://www.youtube.com/watch?v=pysC9wBJZ9s">https://www.youtube.com/watch?v=pysC9wBJZ9s</a></p> <p>Can you create a life cycle of a butterfly diagram?</p> 	<p><b>Blow bubbles</b> You will focus on taking in a deep, slow breath, and exhaling steadily to fill the bubble. Pay close attention to the bubbles as they form, detach, and pop or float away.</p>  <p><b>Texture bag</b> Ask your grown-up to place several small, interestingly shaped or textured objects in a bag. You will reach in and touch an object, one at a time, and describe what you are touching. Make sure you don't take the object out of the bag, use only your sense of touch to explore the object.</p>

Can you remember how to take away? Using some objects can you see how the numbers get smaller as you take different quantities away?

Watch the video about finding half and have a try with biscuits or fruit can you find half? Ask your grown up to help you find what is half. (2 halves make a whole)  
<https://www.youtube.com/watch?v=hVaxiJB6Fls>

### Phonics

Can you read the diagraphs below and think of a word that includes each sound?

ch sh  
ng ee

Can you spell out any of the pictures below? Do all the words have the same number of sounds?

### Will it dissolve?

Learn about solubility. Ask your grown-up to find several small, transparent water containers (e.g. plastic or glass cups) and a range of substances to test (e.g. sugar, oil, salt, food colouring, rice, flour, vitamin tablets). Before dropping each substance into a cup guess whether it will dissolve or not.

### Cornflour slime

Explore the strange properties of this cross between a liquid and a solid.

Use a large shallow container that you can put on the floor. Mix together cornflour and water until you have a slime consistency, add food colouring to it, any colour you like! Try

Can you create your own butterfly or caterpillar using different materials you might have at home?

Do you know that you live on the planet Earth? Do you know that are many countries on Earth?

Learn more about our beautiful planet:  
<https://www.youtube.com/watch?v=IDhapt7nw4A>

Can you do a dodge the monster work out with the monkey?

<https://www.youtube.com/watch?v=toi50kBcLM8>

### Time

Find a simple jigsaw puzzle to do. Use a clock or timer to see how long it takes you to complete the puzzle. Then, break the puzzle up and try again. Can you complete the puzzle more quickly on the second try?

You can also do an online puzzle on the CBeebies website and choose the level of difficult: easy, medium or hard.  
<https://www.bbc.co.uk/cbeebies/puzzles/go-jetters-monumental-mixup?collection=cbeebies-jigsaw-puzzles>

Can you write sentences with the words you spelt above? Remember to use capital letters, finger spaces and full stops! For example:  
I love fish and chips.

Remember to practice your phonics sounds at home!

Do you remember the alphablocks?  
<https://www.bbc.co.uk/cbeebies/games/alphablocks-games>  
You can find them on the BBC iPlayer too.

punching the slime, it instantly turns solid. Roll some slime into a ball in your hand and then stop, it turns back into liquid.

### Playdough

Ask your grown-up to make playdough with you! Check it out on the link below:

<https://www.youtube.com/watch?v=oAIAm6BF0fs>

Challenge: can you write the recipe?

What country do you live? Can you draw a flag of your country?

Sit down and listen to the piano calming music. Look at the lovely background. How does it make you feel?

<https://www.youtube.com/watch?v=Wl1xExDWVF0>

Remember to read  
every day at home!

Can you look in a book  
and find any of these  
words? Which words did  
you spot the most?

**the  
to  
I  
go  
with**
