w/c 27th April

NON FICTION - **Whatever Next**

Ted's a solar system Holiday - <https://vimeo.com/358765785>

Knowledge and skills

- Know what living things need in order to survive and why humans cannot live on the moon. <https://www.youtube.com/watch?v=wG7byaLSmFU>
- The children live on Planet Earth. <https://www.youtube.com/watch?v=dk8zDjQT0aE> and <https://www.youtube.com/watch?v=IDhapt7nw4A>
- We live in Britain, which is a country. There are many countries on Planet Earth. <https://www.youtube.com/watch?v=ncqDJW4EhmE> song and <https://www.youtube.com/watch?v=0l6RNZp4cmM>

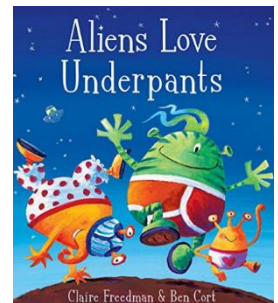

- Find out the countries that the children in the class are from. Children to be able to identify their heritage and talk about where they/their families are from. <https://www.youtube.com/watch?v=l6A2EFkjXq4> song

For activities please refer to Twinkl and type in 'Whatever next' for ideas relating to the book of the week as well as space, plants, the moon, earth. Also <https://www.pinterest.co.uk/>.

w/c 4th May

FICTION - Aliens love under pants by Claire Freedman and Ben Cort

<https://www.youtube.com/watch?v=HWbSrmuyptw>

Knowledge and skills

- Investigate light sources/shadows.
<https://www.youtube.com/watch?v=YuUJCNzfoBw>
- The Sun produces light/heat from burning gases.
- Identify light sources and know whether the source is natural/man made.
<https://www.youtube.com/watch?v=d65mdTJaJTI> and
<https://www.youtube.com/watch?v=d7yTlp4gBTI>
- Be able to sort light sources based on how bright they are.
- Darkness is the absence of light.
- Investigate the best material to blackout light.
- Create shadow puppets by combining materials using tools.
<https://www.youtube.com/watch?v=Kz8wP2RYy64> and
<https://www.youtube.com/watch?v=2zfrbCdV8sI> with your hand
- Generate questions using the words, what, when, how and why.
- Read a non-fiction text about light and dark and recognise the features of non-fiction texts (contents page, index and glossary).
- Learn the song, '5 little men in a flying saucer'.
https://www.youtube.com/watch?v=2E3p_51tJx0

For activities please refer to Twinkl and type in 'Aliens love under pants' for ideas relating to the book of the week as well as space, plants, the moon, earth, aliens, pants. Also <https://www.pinterest.co.uk/>.

w/c 11th May

NON FICTION - Aliens love under pants by Claire Freedman and Ben Cort

Knowledge and skills

- Explore and describe the way some everyday materials change when they are heated or cooled. <https://www.youtube.com/watch?v=tuE1LePDZ4Y>
Changes to water
- Solids and liquids can be changed from one state to another by heating or cooling
- Heat melts a solid and turns it into a liquid.
<https://www.youtube.com/watch?v=Z-lbwqzfVbo> What is melting?
- Cooling freezes a liquid into a solid.
- If ice (solid) is heated, it changes to water (liquid). This change is called melting. <https://www.youtube.com/watch?v=uBn5DFyR5-I>
- If water (liquid) is cooled, it changes to ice (solid). This change is called freezing. <https://www.youtube.com/watch?v=63MVOka9snY>
- Water freezes at 0°C.
- Be able to make predictions and evaluate their predictions following an investigation.

For activities please refer to Twinkl and type in 'Aliens love under pants' for ideas relating to the book of the week as well as space, plants, the moon, earth, aliens, pants. Also <https://www.pinterest.co.uk/>.

w/c 18th May

FICTION - Look after your planet Charlie and Lola

<https://www.dailymotion.com/video/x5jiu37>

Knowledge and skills

- Recycling means making rubbish into something new.
https://www.youtube.com/watch?v=6jQ7y_qQYUA
- The '3 R's' stand for reduce, reuse and recycle.
https://www.youtube.com/watch?v=OasbYWF4_S8
- Reduce: Reduce the amount you buy and consume to try to avoid more packaging and rubbish being thrown away than necessary.
- Reuse: Reuse what materials you can, whether it be for crafts or handy home solutions.
- Recycle: Recycle as many materials as you can to avoid more waste than necessary.
- Recycling rubbish is better for the environment rather than incinerating (burning) or landfilling it. https://www.youtube.com/watch?v=0_Ufbm5ZkBY
- The five senses are sight, smell, touch, hearing and taste.
<https://www.youtube.com/watch?v=q1xNuU7gaAQ>
- Know which body parts are associated with each sense.

- Learn the past tense for each of the senses verbs (saw, smelt, heard, touched, tasted).

For activities please refer to Twinkl and type in 'Recycling' for ideas relating to the book of the week as well as reduce reuse recycle, recycling activities and sorting. Also <https://www.pinterest.co.uk/>.

w/c 25th May - HALF TERM
