

How could I solve this number sentence?

$$8+2=$$

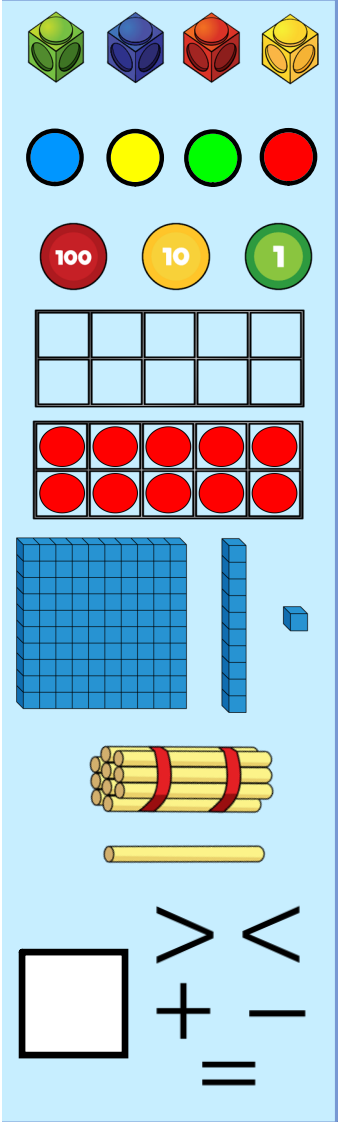

What could I use to help me?

How could I solve this number sentence?

$$10+7$$

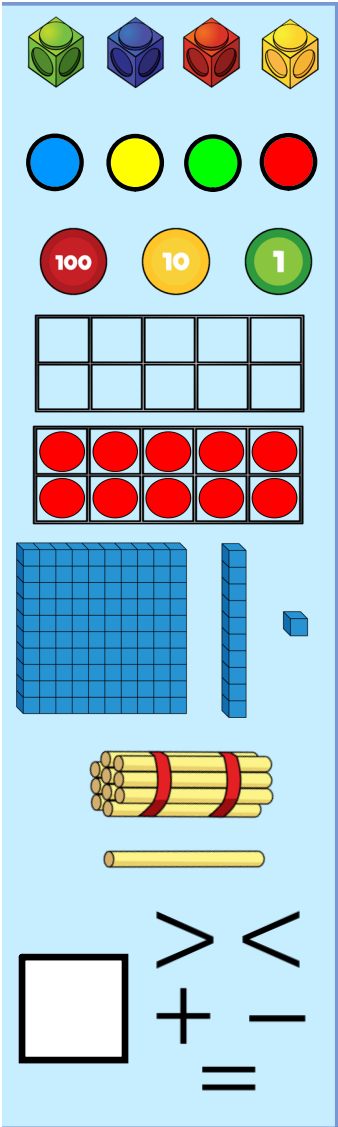

What could I use to help me?

How could I solve this number sentence?

$$14-6$$

What could I use to help me?

How could I solve this number sentence?

$$20 - 10$$

What could I use to help me?

Can you help me colour the picture matching the colour to the number.

1 = brown

2 = orange

3 = red

Activity:

Colour in the picture the colour that matches the numbers.

**Christmas Addition and Subtraction**

Solve the calculations to work out what colour each part of the images should be.

1 = brown	2 = orange	3 = red	4 = dark blue	5 = green
6 = white	7 = purple	8 = light blue	9 = pink	10 = yellow
