France Trip Rescheduled
Monday 8th February- Friday 12 February 2021

Dear Parents and Carers,

Thank you very much for being so patient with us during this time. Currently, the government advice for the Autumn term does not advise for residential to take place. We have spoken with the company who runs the trip, and have been able to reschedule for **8th-12th February 2021**. We will of course be following the government advice and only complete this trip when we are advised we can do so.

Moving the trip to the Spring term means that the children will not be disappointed and will get to have their experience in France, which we know they have been looking forward to for years. Also, this fits in perfectly with their learning across both Year 5 and Year 6, where they learnt about both World Wars. The places they will be visiting and the activities they are taking part in will have lots of information about them both.

We are very excited not to be disappointing the children and ultimately getting to give them this highly valued experience. We will be staying in the same chateau as planned, and the experiences will also be the same.

As I am sure you can imagine, we have been very fortunate to be able to reschedule again. Please email or ring the school office if you have any questions.

I hope you all have a wonderful summer.

Thank you for your continued support.
