

Day 1

What suffixes can you remember from last week

-ing

-ed

Can you think of any examples?

The suffix 'er' is added to the end of adjectives to compare two things...

e.g. small.

The girl was smaller than the boy.

The suffix -er can also be added to a verb to change it into a noun.

e.g. run- runner

teach- \_\_\_\_\_

Can you think of another example?

Can you change these verbs into nouns using the suffix -er?

bake

fight

help

learn

Match the noun to the verb.

build

reporter

report

carer

play

caller

call

builder

care

player

Challenge!

What do you notice about the word carer?
