**This summer,
go on a Journey of Discovery
to explore our shared history
and how we can make
racial justice a reality.**

**Together,
we can create a future
in which all can say:
I am seen.**

We're delighted to share that our school has been taking part in The World Reimagined: a UK-wide art education project featuring globally-recognised artists to transform how we understand the Transatlantic Trade in Enslaved Africa and its impact on us all. This is not 'Black History', this is all of our history.

The World Reimagined will see a trail of large Globe sculptures across 7 UK from 13 August to 31 October 2022, created by artists to bring to life a powerful journey of discovery that explores our shared history and the future we can create together.

For the last few weeks - alongside 150+ schools across the country - we have been exploring our shared history and engaging with ideas around how we can make racial justice a reality in the future - and our students' power to create change.

And we have also created a Globe sculpture that will feature in The World Reimagined!

We hope you'll have the chance to visit The World Reimagined trail - and our Globe! - when the trails are live from 13 Aug - 31 Oct.

To find out where our Globe will be exhibited for you to visit, please go to www.theworldreimagined.org from Saturday 13 August 2022.
