

Let's practise reading our high frequency words:

have

Mr

me

Mrs

My

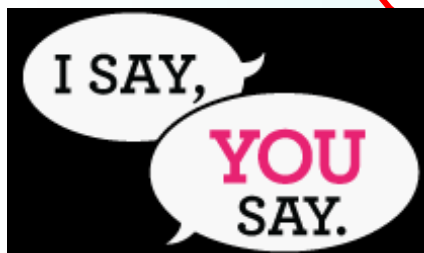

don't

by

little

Our sound of the day is

wh

I say ..... wh, wh wh wh

you say .....wh, wh wh wh

## Comparing sounds:

wh

Let's sound them:

w

*What is the same about them?*

*What is different about them?*

wh' always comes at the start of the word. 'w' can come at start, middle or end.

Write 'wh' on your whiteboard?

Can you write 'wh' without look at the teacher's board?

Can you write 'wh' on the back of your hand with your finger?

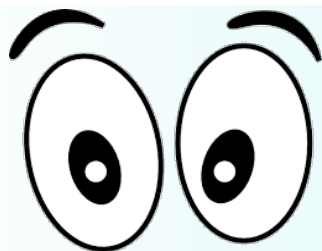

What words did Geraldine find?

Can you think of anymore words  
with the 'wh' sound?

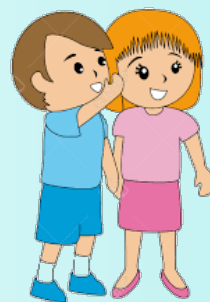

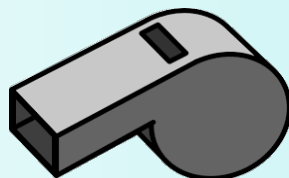

Can you help me read these  
'wh' words?

whiskers

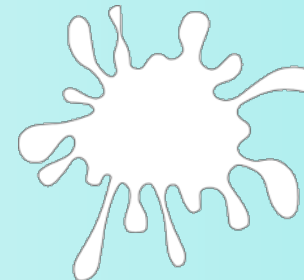

why

whistle

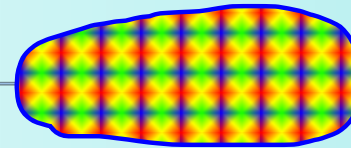

whisper

white

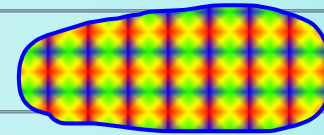

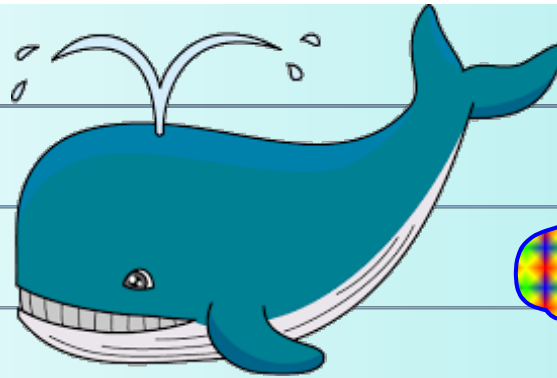

Where are the 'wh' sound in the words?

What is this?

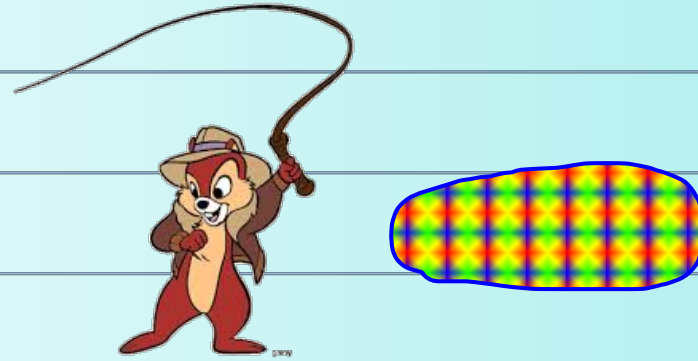

Can you write a sentence using this 'wh' word?

What is this?

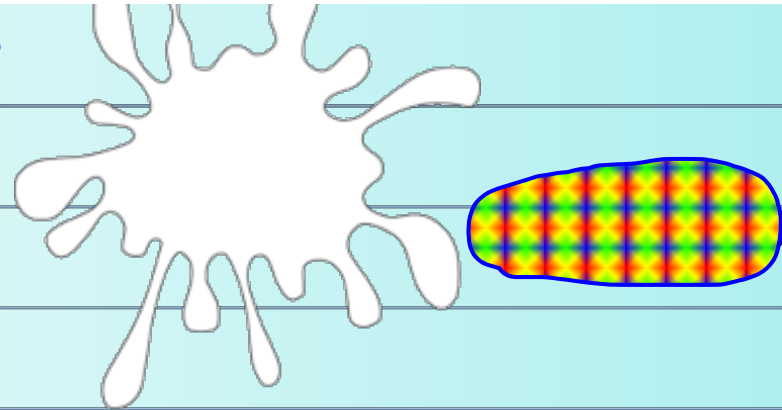

Can you write a sentence using this 'wh' word?

What is the mouse holding?

Can you write a sentence using this 'wh' word?

What colour is this?

Can you write a sentence using this 'wh' word?

Can you sort the 'wh' words in this book?

real

alien

What's the risk when we don't know what we don't know?
