RE: Parent Update: Key Dates for Summer 2

Dear Parents/ Carers,

I hope you are all well and had an enjoyable half term holiday. The first half of the summer term was a huge success for the children, with lots of learning and hard work taking place across the curriculum. Children have also been pleased to experience the re-introduction of assemblies. Due to the continued low cases of Covid-19 in our school community, I am pleased to inform you of future events after the half-term that we would like to involve parents/ carers.

Family Morning

From the Thursday 9th June, and each Thursday thereafter, we will be re-introducing our family morning sessions, where parents are able to come into their children's classes and get involved with reading activities from 9:00am – 9:30am. From 9:30am – 10:00am, refreshments will be served in the hall on the lower site, with a range of visitors from within the school and also from the local authority to provide useful information of services within the local community. We very much encourage all parents to be a part of this weekly event.
