

# Uniform Policy

## Introduction

At the Mayflower Federation, we believe that school uniform helps to develop a sense of identity, pride, belonging and community. At the Federation, our uniform policy is gender neutral. This means that, whilst we expect all of our children to wear school uniform, the rules for boys and girls are the same and we do not insist that they wear specific items of clothing. From the items detailed below, children are free to choose the uniform they wish to wear.

Letters will be sent home where and when needed to remind parents about our uniform expectations.
