The art unit in this topic offers children to use a range of skills they have learnt in KS2, considering the work of artists such as, William Formsby Halsall, Abraham VerWer, Leslie Wilcox, Gilbert Margeson to create a painting that captures mood. Additionally, they can draw upon inspiration from artists they have previously learnt about such as Jaqueline Hurley and Michele Reader when they create a multimedia piece of art.

National Curriculum

- I can describe the work and ideas of various artists, architects and designers, using appropriate vocabulary and referring to historical and cultural context
- I can explain and justify my preferences towards different styles and artists
- I can explain how I have used composition, scale and proportion in my work
- I can use simple perspective in my work using a single focal point and horizon
- I can use techniques, colours, tones and effects in an appropriate way to represent things I have seen e.g. brushstrokes following the direction of the grass, stippling to paint sand, watercolour bleeds to show clouds

Learning Overview

- Know that Lance Letscher is a contemporary American collage artist.
- Know that he is known for his meticulously constructed compositions and sources materials from a range of antique papers, discarded notebooks, magazine and record covers.

- Use sketchbooks to experiment with using a range of materials to build up layers
- Use sketchbooks to plan a collage, using a range of media and techniques to create a piece of art which show depth (inspired by the paintings of ships in the ocean)
- Select suitable media to create a collage of a ship on an ocean, drawing on knowledge of perspective, composition and scale.
