Knowing how to use a range of technology

Curriculum Objectives

- Use technology purposefully to create, organise, store, manipulate, and retrieve digital content
- Use technology safely and respectfully, keeping personal information private

Learning Overview

Learners will develop their understanding of the various aspects of using a computer to create and manipulate text. They will become more familiar with using a keyboard and mouse to enter and remove text. Learners will also consider how to change the look of their text and will be able to justify their reasoning in making these changes. Finally, learners will consider the differences between using a computer to create text and writing text on paper. They will be able to explain which method they prefer and explain their reasoning for choosing this.

Lessons will cover:

- Exploring the keyboard
- Adding and removing text
- Exploring the toolbar
- Explaining my choices
- Pencil or Keyboard?
