

## Spring 1 Year 2 – Digital Photography

### Computing Concepts

Presentation

**Presentation**  
Expressing ideas

Systems

**Systems**  
Knowing how to create and use programmes

Digital world

**Digital World**  
Knowing how to use a range of technology

### Curriculum Objectives

- Use technology purposefully to create, organise, store, manipulate, and retrieve digital content
- Recognise common uses of information technology beyond school
- Use technology safely and respectfully, keeping personal information private; identify where to go for help and support when they have concerns about content or contact on the internet or other online technologies

### Learning Overview

Learners will learn to recognise that different devices can be used to capture photographs and will gain experience capturing, editing, and improving photos. Finally, they will use this knowledge to recognise that images they see may not be real.

Lessons will cover:

- Taking photographs
- Landscape or portrait?
- What makes a good photograph?
- Lighting
- Effects

Is it real?
