

RE: End of Spring Term

Dear Parents/ Carers,

I hope you are keeping well. Since the children have started back I just wanted to inform you of just how impressed I have been with how quickly they have settled back into school. All children across all the classes have been excellent, and the level of learning that has taken place is so impressive.

Teachers and support staff have been working incredibly hard to work with their classes to grasp what additional work may need to be done in order to continue the positive outcomes we secure year on year. Whilst we do not have the additional pressures of national testing this academic year, we always do our best to make sure children are able to reach their potential. As we enter into the Summer Term, after the Easter Holidays, we will be looking to continue this hard work to ensure that children are where they should be as they enter their next year group.

Finishing Times – Wednesday 31st March 2021

The school will break up for the end of term on Wednesday 31st March 2021. Usually we break up earlier on the last day of term so in order to do this in a Covid-19 safe way, please note the following collection times for your child's year group for this date only:

End of Term – Finish Times:

1:30 pm – Year 5 and Year 6

1:40 pm – Year 3 and Year 4

1:50 pm – Year 1 and Year 2

2:00pm – Reception and Nursery

Please remember to collect siblings together at the later pick up time.

Covid-19 Provisions

As we progress through the remainder of this term, and into the summer term, we will continue to observe the guidance that is provided to schools to keep everyone safe. In the meantime, I would like to remind all parents/ carers of the following:

- Please line up, socially distancing at the school entrances at the beginning and end of the school day
- Please pick up your child at the specified time. Arriving too early or too late can result in too many people at the school entrances
- Be sure to monitor your child's health and get your child a Covid-19 test should they develop any of the Covid-19 symptoms.
- Keep your child off school if any member of your household shows Covid-19 symptoms.
- Please continue to follow government guidance when you are outside of school in order to keep everyone safe

Thank you for your continued support, and I wish you a lovely Spring break when it comes next week.

Yours sincerely,

Carol Askins (Headteacher)
